Reports of a foreign submarine emerged in the vicinity of Digalloni River sometime last week and observed unloading supplies and undetermined number of arms and ammo have been coming to me from Task Force Saranay (formerly Sawir) additional information on this from fishermen and native Dumagats fishing in the Digalloni River and Digoyo area, Isabela.

The first hard evidence on landings came from Lt Aglipay Palawan Detachment Commander who reported a vessel transporting undetermined number of persons & cargo marked Kayagatan, original name erased H-Akuryo Maru-N-3 IT-2005 which they boarded, resulting in a fire fight. The tug boat Chief (they used a tugboat to board the Karagatan was wounded. tow two additional

Received credentials of the first Yugoslav ambassador based in Tokyo.

Awarded the Golden Heart to Col. Alfred K. Patterson, U.S. Embassy Air and Defense attache.

Cleared ambassadors to Brussels, London, Spain and San Francisco.

Reassessed with Sec. Medina and Cesar Virata the true market for cars. Possibly the true market is 30,000 to 40,000 cars because there were 100,000 cars sold from the U.S. military Bases in two years. This would change the picture of the PEMP which is based on a market of 20,000.

Sugar — no exports without ado to domestic use

Rice destroyed by typhoon

Smuggling — the participation of Cong. R. Ablan.

Air fares increase only 80% not 45%

Civil Commissioner — To expedite Pascual in August.

The Concon postponed voting on the form of government. The presidentialists succeeded in preventing a vote with the obvious support of Pres. Macapagal which infuriated Del. Miguel Cuaderno who may move for his outstar Tomorrow. The parliamentarists were strong.

We won't.
