MALACAÑAN PALACE

MANILA

Just talked to Imelda who is now in Spain in the Ritz. She has been given a royal welcome and treated as a head of state.

Worked up to 3:00 PM. First was the conference on the rehabilitation of the old burned terminal, P5.5 million for a domestic terminal at the Paliparan terminal near the Air Force.

The Trading Center for duty free goods shall be in the Hotel premises of the Hyatt Philippine.

Then a new International airport shall be bidded out including the coastal road to it at the Bulacan foreshore. This may take ten years

Then I met the finance people on the Public Works cash flow. Very defficient.

And the organization of departments into ~~multi~~ purpose by the almost 12,000 personnel of the PACD, PCACA and CAO. We met again Thursday.

PAL matters: the foreclosure by FNCB on Robinson, Inc. PAL directors Jaime Ongpin & Bobby Villafuerte of the BOI. Memorandum for Chief Deputy Commissioner
