MALACAÑAN PALACE

MANILA

We are still in Euphoria because of the Spivak Meet the Press shown by Satellite in Washington and thru KBS in my study in Malacañan.

Are you peacefully going to transfer authority in 1973?

How long will martial law be?

What have you done to narrow the gap of the rich and poor?

Are you one of the wealthiest men in the Philippines or Asia?

My only regret was "It was too short" — Only 30 minutes — actually about 25 minutes.
