Just came from the Jaime Zobel home - Harvard St. Forbes Park where we took dinner after the concert of Mary Graffman to American Concord pianist of his age level at the Cultural Center.

Busy attending to appointments from 10:00 A M when I woke up after 9:00 A M when I took lunch. Then to 3:00 P M when I took a nap. Back to sleep at 6:30 A M slept till 4:00 P M golf and conference until 7:00 P M and then the concert at 8:30 P M.

Worked on the pardons, resignations and the conflict between Cong Antonio Raymundo in Olongapo city where I have to decide whether to left PC control or not.
