Malacañang

Bongbong shot his first deer at Tuwan, Kalinga-Apayao at about 11:30 AM on a drive and I suppose behind a blind. He must have used his light .223 Sharp-Daniels-Weatherby bolt-action rifle which I bought him in San Francisco last March 1969 when we went to attend the Eisenhower memorial services.

The guards say that he shot it at a distance of 300-350 yards and that it is male and two just light at the shoulders weighing more than 50 pounds.

But they got no ducks this afternoon. They are sleeping early to wake up at dawn for the ducks. He talked to his mother at about 7:00 PM over radio-phone while I was attending the 4-H Clubs annual Dinner. There are now 117,000 members of this club which I am supporting. I gave it P60,000 of savings last year and will grant it P20,000 more this year and succeeding years.

Just with the Air Line Pilots Assn. which has gone on strike for 24 hours for alleged unfairness in navigational aids. I released P1 million and organized an advisory council for civilian aviation
