Am writing this on the 20th as I was too busy on the legislative program for the special session.

Sara Imelda & Ilo were at the airport at 7:30 for the plane was supposed to take off at 8:15 but Judy and Cecile Locsin were late so it took off at 8:30 Jr time, a flight of 3 hours and 5 minutes. and landed at Tokyo at 12:20 PM Japan

Talked to her when she reached the Imperial Hotel at 2:00 PM. Then went into the series of conferences until late at night.
