Baby Yonzon is apparently transferring to Australia. He is selling the steel company. The property is valued according to him at ₱75 million (without the buildings and machinery) and the indebtedness is ₱70 million. Some of his investments have been profitable. He has suggested buying land in Australia.

The Ilocos students leaders have taken control of the Ilocos Sur people did not come to see me. Apparently the student leaders have taken control of it. They see me tomorrow at 11:45 a.m. Chant Sycip saw me this morning to seek an appointment. He claims that the provincial jail warden, Aurino de la Cruz, was killed by the warden was Rosales. Sounds ungratitude because the warden was Rosales man.

Yet, the young beauties who are going to Osaka Expo 70 in the Imelda Romualdez. The first group leave on the 14th and 15th. Then Imelda leaves on the 14th to attract a lot of attention in Expo 70. They are going. It was originally my idea that we send beautiful girls and this has worked the Philippine pavilion, despite the fact how small it is
