MALACAÑANG
MANILA

June 5, 1970

Finished the plans for the compromise Malacañang version on the budget and other legislation.

The constitutional convention bill has to be included in the next special session.

Joe Maristela says there is a reassessment of the plans to revolt by Osmeña and there were 24 officers and men who met at Joe's place in Antipolo

The Iloilo training is being pushed by them. Col. Dumlao has not reported his counter action.

The newspapers all front-paged the Pantay people crying on my shoulder — specially the Chronicle.

Approved the agrément for the ambassadors

of

Ordered the final plan for the working agreements for peace and order of the mayors and police of Greater Manila whom I meet at 10:00 A m — with the PC.
